

DECCO India Team in Farmer's Fair organized by the Punjab Agriculture University

DECCO India Team participated for the 1st time in one of the prestigious Farmer's Fair organized by the Punjab Agriculture University, Ludhiana held on the 22nd and 23rd of September. This university ranks among the top 5 universities of Asia. This Fair is exactly like 'Fruit Logistica', Berlin, where companies in the field of seed production, agrochemicals, machinery, tractors, farm equipments and post harvest technology participate.

DECCO's stall was awarded the 2nd prize in the 'Value Addition Segment'. The 1st prize was awarded to MARKFED which is a government institution.

Throughout these 2 days there was a huge gathering where people made queries on post harvest technology, as far as Fruits and Vegetables are concerned.

The University experts were highly impressed with the contribution of CIPC Technology in Process Potato & Table Potato.

Here images of DECCO Stall and prize distribution with Dr. B S Dhillon (Vice Chancellor of Punjab Agriculture University) & Dr. Arvind Kumar (Director General Indian Council of Agricultural Research)
